

ADOPT a BEEP BASEBALL

The National Beep Baseball Association is proud to sponsor the annual World Series of Beep Baseball. This 5 day event is held in late July/early August. Come watch the best players in the world display their talent in this unique and challenging sport. Beep baseballs are manufactured by the Denver Beep Ball Group, located in Denver, Colorado, as a volunteer project. Potentially, there will be 24 teams participating and the need for a minimum of 200 beep baseballs is necessary. The cost of each ball is \$35. You or your firm, organization, company or corporation can have your name printed on a ball. The purchased ball will be used during World Series play. Help sponsor the World Series of Beep Baseball by adopting a beep baseball today. Your support is appreciated AND tax deductible!

_____ would like to sponsor _____ beep baseballs
(Name to be printed on ball) (# of balls)

PLEASE PRINT CLEARLY!

Amount of donation \$ _____ (# of balls x \$35)

Please make checks payable to NBBA (World Series on memo line).

After the tournament, you can have the ball(s) returned to you as a keepsake or you can donate them to the NBBA.

Please check one:

_____ Return ball(s) for keepsake (please include your address!).

_____ Please donate ball(s) to the NBBA's World Series host city team.

Again, your support in any amount is greatly appreciated!!

Sincerely,

The National Beep Baseball Association and the Denver Beep Ball Group
